An Asia Aviation Associates Publication

CONFERENCES, SUMMITS, EVENTS

Without real time interactive between the stakeholders in industry, government and academia, much of the awareness will be theoretical. Asia Aviation Associates along with infraLOG recognizes the philosophy that hitherto second cousins in terms of ease of doing business, infrastructure, facilities, procedures, processes, the II and III tier cities and towns are the actual growth centers in next 30 years. We organized 9 Regional and National level Summits/Seminars at Chennai, Ludhiana, Ahmedabad, Kanpur, Bengaluru, NOIDA & New Delhi, As a "Forum of Professionals" we changed focus.

Our Motto – "Creating Wonders through Humans"

infraLOG
Business Partner for Infrastructure and Logistics

To spread awareness of contemporary industry status and be the "Agent of Change" in India's economic development & to ensure futuristic orientation of Indian enterprises, Publishing is an important area being pursued by us. Through the publication of "infraLOG" this objective is sought to be achieved.

In four years of its publication, it has already become a widely read niche business publication, earning acknowledgements for quality and content with a difference by the practicing industry spokespersons across sectors.

Besides infraLOG is media partner with all major chambers of commerce, national & international programmes, summits & exhibition in both Government & private sectors. infraLOG supports clean environment initiatives, CSR and pushes electronic Reading.
